Details Inside

CALL FOR PAPERS! The 2019 BABAT Conference Planning Committee invites you to submit your work for presentation at its Annual Conference to be held at the DCU Center, Worcester, October 2, 3, and 4, 2019. Submissions of original research, clinical applications of behavioral technology, workshops, and topical discussions are welcome. **Submission deadline for symposia, workshops, panels, single papers: April 15, 2019. Submission deadline for posters: June 16, 2019. All proposals must be submitted on-line. Fast, easy, and accurate!** www.babat.org.

GENERAL INFORMATION ABOUT SUBMITTING A PROPOSAL

How to submit your proposal ON-LINE at www.babat.org. While following this guide, prepare your text beforehand, then copy/paste into the on-line fields. Read through the General Information in this section, then click on the "Go >" button below to get started! **NOTE:** On-line submission will require that your browser has both **JavaScript enabled** and **popup blockers disabled**.

Prepare in advance. Create a text file using this document as a template. Begin at Section A and follow through to Section C. Some presentation formats do not require completing all three sections. Just skip to the next section if that is the case. Prepare your text beforehand, then cut/paste into the on-line fields. Submit your proposal on-line before the deadline at www.babat.org.

Spell very carefully. Please verify that all names, titles, and affiliations are spelled correctly. Whatever you submit on-line will be used in all conference programs and brochures.

Submission Deadlines. Proposals for symposia, panel discussions, and workshops must be received by April 15, 2019. Poster submissions must be received by June 16, 2019. **Submissions will not be accepted after these dates.**

Any questions? If an instruction is unclear, please contact Richard Graff (Rick@babat.org) or Maureen Kelly (Maureen@babat.org)

Presentations. *Symposia* are a series of 3-4 presentations around a common theme. There is an identified chair who ensures that presentations begin and end at the scheduled times. In some cases there may be a discussant. Symposia are allocated 80 minutes. *Single Paper Presentations* are individual papers 20 minutes long, to be grouped with similar topics. *Panel and Roundtable Discussions* are open discussions of topics relevant to applied behavior analysis. They may be debate in format, consultative, Q&A, or brief presentations. Panel/Roundtable discussions are allocated 50 or 80 minutes. *Workshops* are instructional sessions at the intermediate or advanced level, suitable for master's level and above. They are allocated 80 minutes or 170 minutes. *Posters* are posted presentations of completed experimental projects (or exemplary clinical data). They represent replications of established procedures or principles, clinical innovations, or extensions of procedures into new populations and settings.

Dates and Location. The conference will be held on October 2, 3, and 4, 2019 at the DCU Center in Worcester.

Conference Registration and Lodging. All costs associated with attendance are the responsibility of the presenters. Conference registration is required of presenters. It is recommended that hotel reservations be made early. For hotels in the area, click here: <https://www.discovercentralma.org/index.cfm/stay/hotels/>. We have reserved hotel blocks at Marriot properties within walking distance of the DCU. More information will be announced via babat.org.

Continuing Education Credits. All proposals other than posters will be considered for continuing education credit (BACB and APA). All submitting authors must complete Section B "Additional Requirements for Continuing Education Credits."

PART B: ADDITIONAL REQUIREMENTS FOR CONTINUING EDUCATION CREDITS

Please review the following to determine whether or not your presentation meets criteria for BACB continuing education. You will be prompted to indicate whether or not it does.

To qualify as BACB Continuing Education, a presentation must:

- Cover behavior analysis theory, methodology, or practice.
- Be designed to further or maintain the skills or knowledge of BCBA's or BCaBA's (i.e., the instruction must be at least post-master's level—a target audience of undergraduates or parents are not appropriate for CE).
- Adhere to the BACB Guidelines for Responsible Conduct during the event (available at bacb.com).
- Be presented or co-presented by an individual who meets **BACB ACE instructor requirements** (for multi-presenter events, only the proposed CE instructor must meet the criteria listed below).

An individual who does not meet one of the ACE instructor criteria may serve as a co-instructor under the direct, in-person supervision of a fully qualified ACE instructor. All instructors and co-instructors of Type 2 CE events must have completed substantial formal training, independent study, or experiential training in the subject matter on which Type 2 CE instruction is provided.

Multi-presenter events (such as conference symposia or paper sessions) may be offered for Type 2 CE if at least one presenter meets the CE instructor criteria specified above, PROVIDED that the qualified CE instructor actively and directly supervises the instruction presented by the co-instructors (e.g., by reviewing all presentation materials and providing feedback to the presenters in advance of the session). This allows type 2 CE to be offered, for example, for symposia in which only the discussant qualifies as a CE instructor but reviews the co-instructors' presentations in advance, or for symposia chaired by university faculty who meet the CE instructor criteria, with all instruction presented by that person's own graduate students.

All instructors and co-instructors must adhere to the BACB Guidelines for Responsible Conduct during the Type 2 CE event

STATEMENT OF FULFILLMENT OF BACB CE CRITERIA: On line you will be prompted as follows:

Please select one of the following statements as applicable regarding your submission:

- This presentation **meets the criteria** for BACB CE credit as described above
- This presentation **does not meet the criteria** for BACB CE credit

NAME OF PROPOSED CE INSTRUCTOR: Must be a primary presenter, chair, or discussant for the event and must directly and actively supervise the instruction. You will be prompted to provide all the information below—

- Name and email

INSTRUCTOR QUALIFICATION: Instructors qualified to deliver BACB continuing education must meet one of the criteria listed below. For multi-presenter events, only the proposed CE instructor must meet these criteria. You will be prompted to select one—

- Is a board certified behavior analyst in good standing; OR
- Holds a doctorate and meets either the coursework or college teaching option for fulfilling BCBA eligibility requirements; OR
- Has completed all requirements for a doctorate except the dissertation, meets the coursework option for BCBA eligibility, and has completed graduate coursework or has published research in the subject matter on which Type 2 CE instruction is provided.
- All presenters must be in good standing with any applicable licensing or credential board
- **All instructors and co-instructors must adhere to the BACB Guidelines for Responsible Conduct during the Type 2 CE event**

CURRICULUM VITAE OF CE INSTRUCTOR: Upload your current CV in PDF or MS Word format.

LEARNING OBJECTIVES: You will be asked to provide 2-3 learning objectives for your presentation.

Learning objectives should be written consistent with Bloom's Taxonomy of Measurable Verbs.

- For each learning objective, complete the following statement—"The participant will be able to [measurable verb]..."
- 50-minute presentations should have a minimum of 2 learning objectives
- 80-minute presentations should have a minimum of 3 learning objectives

SAVE THE DATE! OCTOBER 2-4, 2019

- 170-minute presentations should have a minimum of 5 learning objectives

CONTENT AREA: You will be asked to indicate the content area. You will be prompted to select one—

- Basic (Methodological)
- Applied (Practice)
- Theoretical/Philosophical/Conceptual

TARGET AUDIENCE: You will be asked to paste a description of the target audience in 100 words or fewer, into the on-line text box.

ACADEMIC LEVEL: You will be asked to indicate the academic level of the program content. You will be prompted to select one—

- Intermediate (Provides additional training for individuals with experience and training on the topic)
- Advanced (Provides additional training for individuals with advanced experience and training on the topic)
